Before the Chords

BEFORE YOU LOOK

1. What do you imagine happens in the moments leading up to the first chords of a piece of music?
2. How might the image capture the power of music and identity?
3. What emotions or experiences do you associate with the prelude to a musical performance?

This image vividly captures four punks sitting outside a music venue, each adorned in iconic punk fashion from spiked hair to leather jackets, as they wait to enter. The setting, featuring the gritty exterior of the venue complete with posters and graffiti, perfectly encapsulates the rebellious and urban vibe of the punk scene.
