Colors of Health

BEFORE YOU LOOK

1. What colors do you associate with different aspects of health and well-being?
2. How might the image visually represent the concept of health through the use of color?
3. What do you do to keep healthy?

This vibrant display showcases an array of healthy food choices beautifully arranged on a rustic wooden table in a bright, airy kitchen setting. The vivid colors of the fresh fruits and vegetables create a visually stunning tableau, highlighting the natural beauty and variety of wholesome ingredients.
