Empowering Communities

BEFORE YOU LOOK

1. What actions or initiatives do you think contribute to empowering communities?
2. How might the image depict the impact of community empowerment?
3. Have you ever been a part of an empowered community? What did it look and feel like?

This image showcases a neighborhood watch group training session in a vibrant urban setting, where community members and local law enforcement collaborate closely. This initiative reflects the community's commitment to improving safety through collective effort and proactive law enforcement engagement.
