Journey of Discovery

BEFORE YOU LOOK

1. What kinds of adventures or explorations do you imagine on a journey of discovery?
2. How might the image depict the process of uncovering new knowledge or experiences?
3. What emotions or personal growth do you associate with embarking on a journey of discovery? Could you share one?

This image captures a young adult's transformative journey through a scenic mountain range in a foreign country. The character, is seen interacting with local villagers and learning traditional crafts, deeply immersed in cultural exchange. Set against the backdrop of lush green mountains and a rustic village, the scene portrays the essence of personal growth and cultural immersion during a gap year adventure.
