Reflecting

BEFORE YOU LOOK

1. What thoughts or memories come to mind when you think about the act of reflecting?
2. How might the image capture the process of self-reflection or contemplation?
3. What emotions or insights do you associate with taking time to reflect on your experiences or surroundings?

This compelling image captures a student looking into a mirror. On the outside, she embodies a different style with, reflecting a unique personal expression. However, her reflection in the mirror shows her in a traditional school uniform, neat and conventional. This visual raises intriguing questions about the contrast between how we see ourselves and how others perceive us.
