Urban Oasis

BEFORE YOU LOOK

1. What do you envision an oasis in an urban environment to look like?
2. How might the image depict a place of peace and relaxation within a busy city?
3. Do you know of an urban oasis in your city or town? Describe it.

This image captures a vibrant rooftop garden nestled among urban skyscrapers, where people of diverse ages and backgrounds engage in sustainable farming. This lush, green space atop a city building illustrates a successful integration of nature and urban life, serving as a beacon of community and environmental stewardship.
